Title

We are a national provider of title solutions specializing in home equity and servicing, as well as traditional offerings. Our team of experts are trained to deliver fast, accurate and cost-effective products to our clients.

- Home Equity Alternative Title
- Traditional ALTA Title
- Settlement (First Mortgage)
- Title Search Solutions (Default Servicing & Capital Markets)
- National Settlement & Recordation Services
- Hybrid Valuation Report (HVR)

Valuations

We are a full-service partner who provides innovative solutions to many of the nation's top lenders, servicers and capital markets. We have a legacy of building strong partnerships and confidence with our clients through our highly responsive and accurate deliverables.

- Appraisals
- BPOs
- AVMs
- Additional Valuations Solutions

Mortgage Technology

Our technology solutions provide valuable tools to help clients manage their appraisal process from order placement to delivery. Through our innovative software solutions, clients can improve service levels and stay compliant while saving time and money.

- LenderX
- Assurant QX

Flood Insurance

As part of the National Flood Insurance Program, we are currently the second-largest provider of flood insurance in the nation. Our products include private flood insurance and other innovative solutions for consumers and agency partners.

- Assurant Primary Flood - Private Flood Insurance
- National Flood Insurance Program (NFIP) Flood Insurance
- FloodWrap & Excess

Lender-Placed Insurance

We are the industry leader in lender-placed insurance products and related outsourcing services for financial institutions and mortgage servicers. With a focus on compliance and the latest technology, we are dedicated to streamlining our processes to help further enhance the customer experience.

- Industry-Leading Insurance Processing & Technology
- Comprehensive Lender-Placed Insurance and REO Products
- Government Relations and Regulatory Compliance Expertise

Field Services

We are a leading provider of inspection, property preservation and support solutions. Our clients depend on us to provide timely results that help reduce their exposure to risk.

- Inspections
 - Property Preservation
 - Support Services
