APPRAISERPLUS PROGRAM

Appraisers have a business to run - so when it comes to growth and success, our **AppraiserPlus** program is their best ally. AppraiserPlus enhances Assurant's independent appraiser partnerships with trust and loyalty, removing the traditional hurdles of micromanagement and post-completion appraiser payment cycles by offering "COD" style payment at inspection.

Once appraisers join our AppraiserPlus panel, they also have the opportunity to become AppraiserPlus Platinum - the highest possible ranking that rewards our best appraisers with top position in our order assignment algorithm.

Appraiser Benefits:

- ▶ [Receive Payment Upon Inspection](#)

The days of waiting weeks or months for a paycheck are over. AppraiserPlus generates your ACH payment the same day you complete the inspection.

- ▶ [Eliminate Micromanagement](#)

Remove unnecessary calls, texts and emails that interfere with your productivity. Dramatically reduce the number of revisions per order when you complete a QX report prior to delivery.

- ▶ [Focus on Your Business](#)

Put 100% of your focus on running your business while building true partnerships.

Lender Benefits:

- ▶ [Attract the Industry's Top Appraisers](#)

Appraisers participating in the AppraiserPlus program agree to consistent and fair product quality and professional service standards, ensuring that the most qualified independent appraiser is fulfilling every order.

- ▶ [Reduce Risk](#)

Rest assured - you will never again be held responsible for an AMC's failure to pay the appraiser.

- ▶ [100% Compliant](#)

AppraiserPlus keeps you in compliance with existing and emerging regulatory requirements.
