

VALUATIONS

While the landscape of the valuation industry is constantly changing, our goal at Assurant Mortgage Solutions stays the same - to provide our clients with high-quality, innovative valuation solutions in an expedient manner. As one of the nation's largest valuation providers, our fully integrated solutions suite can be catered specifically to the needs of your business - offering you a simplified, cohesive experience from a single vendor. Our deep commitment, combined with our unique partnership approach, is what sets us apart as a premier vendor partner.

Our Solutions: Industry Leading and Results-Oriented

At Assurant Mortgage Solutions, we believe in providing full-service valuation solutions that positively challenge the status quo with an obsession for speed and responsiveness. Our "sense-of-urgency" combined with our proprietary processes and top-tier technology, enables us to meet and exceed your SLA expectations and ensures our ability to expedite orders when necessary. With nationwide coverage and a comprehensive solution portfolio, we'll work alongside you to provide the right combination of valuation solutions to fit your organization.

Our solutions include:

▶ [Full-service Appraisal Management](#)

Save time, reduce risk and ensure compliance by turning to us for comprehensive, full-service appraisal management solutions.

▶ [Appraisal Reviews](#)

Remove uncertainty, risk and the imprecision of traditional appraisal review tools and gain the clear, affordable results you need.

▶ [Broker Price Opinions \(BPO\)](#)

Gain greater accuracy and market intelligence by relying on our advanced algorithms, extensive data validation and in depth quality control checks, along with access to local MLS data nationwide.

▶ [Condition Assessment Products](#)

Rely on experienced, local real estate agents to provide a current and simple-to-read summary with exterior pictures of your property.

▶ [Data Driven Products](#)

Manage risk and mitigate losses by relying on us to maximize the use of data and create dynamic strategies. Our analytics based solution will drive various Loss Mitigation campaigns and provide insight to REO tracking and performance.

Our Team: Knowledgeable and Connected

At Valuations, our team is what sets us apart. From our executive level experience in appraisal and BPO management to our network of some of the best valuation professionals our nation has to offer, we attract and retain highly qualified people in the lending industry. We are your partners in valuation, not just your vendor. We work side-by-side, fostering a partnership you'll rely on day in and day out and offer responsive and exemplary support when needed.

Our Difference: The Right Team, The Right Approach

At Assurant Mortgage Solutions we believe anything is possible with the right team. The right team can lead you to victory, regardless of what is at stake. Assurant Mortgage Solutions has the right lineup to help you succeed. Our comprehensive suite of mortgage solutions proactively manages risk, from origination to disposition, giving you the simplicity and stability of a single source vendor. We deliver real results, with a proven track record of success, so you can make the game-winning play, every time.
